What with all the unpleasantries and tensions caused by insecure and ambiguously motivated people lately, I wanted to share my prayers and best wishes with you and our brothers and sisters in our precious faith community.

Please let me know if there specific ways in which I may be supportive now as in the past and future. I continue to be open to hosting MDC based conversations on religious, cultural and social issues.

I wanted you to know I am still committed to opening doors, hearts and futures among deliciously diverse people and citizens of the Earth.

Peace be to you and those you serve and set up for success.
